**14th Annual Conference and Business Meeting**  
**January 17-19, 2012**  
**Crowne Plaza, Addison, Texas**

Texas Ag Industries Association (TAIA) is excited as it prepares for the 14th Annual Conference to be held January 17 – 19, 2012. The Conference will again be held at the Crowne Plaza Hotel in Addison located just 12 miles from Love Field, 18 miles from DFW International Airport, and minutes from the Galleria area in Dallas.

TAIA is very pleased to have Dr. Bryan Shaw, Chairman of the Texas Commission on Environmental Quality, as our tentative speaker for our Breakfast Business Meeting to be held Thursday morning. We have scheduled a time before the Breakfast Business Meeting to have a cup of coffee and meet Dr. Shaw. Governor Rick Perry appointed Dr. Shaw as commissioner on November 1, 2007. He was confirmed by the Texas Senate May 5, 2009 and appointed chairman on September 10, 2009. His term will expire on August 31, 2013.

Each year, sponsorships make our annual meeting possible and create a contact network for our members. With your sponsorship, you will receive a free registration if you set up a display in the sponsor room. This room hosts events, such as the silent auction, evening receptions, and breaks during our conference. Also available are meeting rooms to be used for company meetings with employees and clients. These rooms, which can be booked through the TAIA office, created some of the most positive feedback from last year's meeting. More rooms are available this year, but they are limited and are already being reserved.

Enclosed you will find an outline of this year's conference and a sponsorship form. Take advantage of all our conference has to offer, including visiting with Bryan Shaw, Ph.D. and the networking of industry representatives by becoming a sponsor today. Please return the enclosed form to the TAIA office or go online to [txag.net](http://txag.net) to reserve your sponsorship.

The following have already committed to sponsorship for which Texas Ag Industries extends its thanks:
