

Texas Ag Industries Association 2010 Regional Meeting Sponsorships and Displays

TAIA will hold five Regional Meetings again this year. The Regional Committees plan each meeting to address topics of interest in their area while maximizing the continuing education credits required by Certified Crop Advisers and mandated for Texas Department of Agriculture pesticide license holders.

These meetings allow companies a great opportunity to promote their products, meet personally with customers, and support the Texas Ag Industries Association. Your company receives great exposure by being promoted at each meeting, on all regional meeting mailouts, in emails, in the *TAIA Membership Directory*, in the newsletter, and on the web page. Sponsors are also encouraged to set up a display at each meeting. Sponsorship covers the registration fee for one of your staff members at each regional meeting making the cost of a sponsorship minimal.

Sponsorship for all five meetings is only \$400 for member and \$500 for nonmember companies.

2010 Regional Meeting Sponsors That Have Already Committed
