

# TATA Membership Application

## Membership Categories

**Dealers** This category includes firms primarily engaged in retail sales and/or commercial application of plant food and/or crop protectants to the end-users. Dues: \$150, plus \$65 per location in Texas, per year

**Distributor.** This category is for firms who sell crop protectants and/or plant food and/or seed wholesale. This category is designed to include regional seed companies. Dues: \$500, plus \$65 per location in Texas per year.

**Manufacturer.** This category is for companies who manufacture crop protectants and/or plant food. This category is designed to include major seed companies. Dues: \$750, plus \$65 per sales representative in Texas, per year.

**Allied Industries.** Membership is available, under this category, to firms or individuals who offer a service or product to the plant food and/or crop protection industries. Dues: \$250 per year

**Individual.** This classification is for employees of a TATA members firm, related government agency, educational institution, related industry associations, independent crop consultants, private applicators, and students. This classification is non-voting. Dues: \$65 per year

If a member meets the criteria for more than one category, the member will be assigned to the category with the highest dues amount.

## TexasAg IndustriesAssociation

Mail to:

Texas Ag Industries Association

726 Camp Lone Star R., La Grange, TX 78945

Phone: 979-247-4300 / Fax: 979-247-4699

Dues to the Texas Ag Industries Association are not deductible as a charitable contribution but may be deducted as an ordinary and necessary business expense. A portion of dues, however, is not deductible as an ordinary and necessary business expense to the extent that TATA engages in lobbying. The non-deductible portion of dues for 2006 is 25%.
